Reach every lawyer in Montana

If businesses want an audience to pay attention to a particular message, they need to use a medium that reaches that audience. Only one medium reaches every lawyer in Montana – the Montana Lawyer magazine.

Overview

Montana Lawyer is the official publication of the State Bar of Montana. It is a full-color, glossy magazine that is mailed six times per year to every lawyer licensed to practice law in Montana. The circulation of the print magazine is approximately 5,000.

To help advertisers get more from their advertising investment, Montana Lawyer offers an enhanced digital edition of the magazine. The digital edition is available free of charge to anyone who visits the Bar's website. This increases readership among audience segments who do not regularly receive or subscribe to the magazine, such as employees of law firms and court personnel.
